***Bro Stef Sounds Off...***

Israel is only now seeing up close and personal the heavy price they are all paying and will continue to pay for the disobedience to God's precepts. The article below, **Abbas' Fatah murders Jewish teen, For days they pretended he was still alive**, shows two things:

1. How **demonically evil** those are who are Israel's so called - "peace partners."
2. The **dangers** of not having God's protecting hand upon the Jews in that part of the world

It's a crime of the highest proportions when anyone is slaughtered and their young life is snuffed out like this, whether they be Jew or Gentile! Those responsible will pay for their evil deeds, no doubt, however, it is disturbing to me to watch what my people have to go through, when I know there is a better way and a road that is paved with lasting peace instead of bloodshed. It breaks my heart and burdens my spirit to continually witness the blood shed of innocent lives. I along with all of you say, **"Come Lord Jesus Come!"**

Next, we have this article, **Israeli jets attempt to intimidate Syria leader**. The reason I find this so interesting is the simplicity of the message. One, we see that the Israeli Air Force was able to fly over the Syrian Palace undetected and without interference at all! The message is plain...Let our soldier go and get out of Gaza or we just might kill you. Secondly, the world really needs to pay attention to this. Israel at anytime could fly over all, **yes all Arab capital's undetected** and she has the capability to destroy **all** of them, but, she doesn't. Shouldn't that be enough to convince the world of her peaceful intentions? You would think so. As I have said in the past, only in Israel do things not make logical sense...

Then those who feared the Lord spoke to one another, And the Lord listened and heard them; So a book of remembrance was written before Him For those who fear the Lord And who meditate on His name. AMEN! Malachi 3:16
