Today's Headline's:

Signs of The Times

Alignment of Persia, China and Gog-Magog

Russia's announcement of expanded military exercises with additional Asian partners other than China is like reading a page out of Bible prophecy for the last days. The recent Russian-Chinese military exercises, the first ever for these two major world powers, did get the attention of world leaders.

Furthermore, India and Iran are now discussing cooperation between the two countries with respect to nuclear capabilities. The Bible does tell us that the entire Middle East will be set against the west and Israel. I look like we are most definitely seeing the final act of God's plan here on earth being played out in our generation.

To expand this truth please read these two articles:

1. http://www.thepeninsulaqatar.com/Display_news.asp?section=World_News&subsection=India&month=September2005&file=World_News200509011371.xml
2. <http://washingtontimes.com/national/20050831-102439-9296r.htm>
3. <http://www.haaretz.com/hasen/spages/619047.html>

In an effort to challenge the military dominance of the United States in Asia, Moscow and Beijing want to expand these joint military exercises to include both permanent and observer status members of the **Shanghai Cooperation Organization** which is an unprecedented move in the region.

World leaders must pay close attention to these plans by Moscow and Beijing in a region that is almost 50% of the population of the world and has major impact on the events of the world. A student of Bible prophecy immediately recognizes the fact that the permanent and observer status members of the Shanghai Cooperation Organization are like a who's who of nations mentioned in Bible prophecy, key players in the End Times.

China has aspirations to be the worlds ruling super power. I believe China will push the Taiwan issue in an attempt to do two things:

1. Test our resolve to see if in fact we will defend Taiwan
2. Bring us into an altercation that will result in a joint nuclear confrontation that will in effect render the U.S. powerless as a super power.

In our past issues, we have pointed out China's aspirations of eliminating the U.S. from power. China has built it's nuclear capability around such a war. China has acknowledged that if there is a nuclear war, both countries will take hits and suffer much loss. China however, believes that they will be able to sustain such losses and we will not. Now throw into this red hot mix Iran's ability to set off an Electric Magnetic Pulse explosion (nuclear) - 200 miles above the U.S., you have the Ezekiel War and/or the wars that Revelation talks about being setup right now. If it were not for Christ in our lives, the future of the earth would certainly be a scary one indeed. Thank God that Yeshua will return and save us and this planet from destruction.

Russia is Magog, Ezekiel 38:2, China, the Kings of the East, Revelation 16:12, which also includes India, Pakistan and Iran, Ezekiel 38:5 as the Biblical Persia, and the other **SCO** members like Uzbekistan, Kazakhstan, and Tajikistan are all part of the Magog of Ezekiel 38:2 along with Russia. These nations mentioned in Bible prophecy will align themselves in the last days to go against the Lord and the Jewish state of Israel, Daniel 11 and Ezekiel 38.

I would at this point, encourage you to read or at least glance at the headlines below. When you add up the evidence presented here in this report and in the headlines below...one plus one does equal two. The evidence most certainly points to the **Time of Jacob's Trouble or The Seven Year Tribulation** period coming to pass and it could very well be on the horizon in the very near future.

In conclusion, God's Plan is moving forward at the speed of light. He has an agenda and a priority list that will be fulfilled. Yeshua I'm sure is preparing to call His Bride home and is putting the final touches on His plan to finally put an end to the madness we are witnessing at this juncture in our history. I thank God that He has allowed us to be eye witnesses of what His Prophets and Apostles have foretold, in scripture, would come to pass. Prophecy will come to pass just as Yeshua said it would in Matt 24!

My friends, look up, our redemption is upon us!
