### News Alert Class: **Prophetic Overview**

**December 29, 2005**

Let's take a quick look at the prophetic landscape that is being prepared in plain sight.

When I look at the headlines here's what I see:

We have Iran preparing for war, China and Russia supporting Iran, Egypt believes that it must be ready for a looming war with Israel. We see the PA launching kassam rockets into Israel's northern borders. We have the Revived EU (European Union) wanting to take over the Middle East Peace process. The ten nation EU alliances that the book of Daniel and Revelation reveal are in place. The Holy Roman Empire is ready assume it's role as the world's super power once again. We have volcano eruptions, killer tsunamis, killer hurricane's and the world so hungry for peace it will trade in it's freedom for security. The world's morality has degenerated to levels of filth and disgust that are just unbelievable. God is speedily being eliminated from the public stage and our men of faith are being banned from praying with our soldiers. The world and even some Christian's, supposedly God fearing people, are willing to entrust their freedoms with men rather than with God. We are in the process right now of trading in our freedoms for security, or, the so called promise of protection from governments that don't have a clue how to protect any of us!

Benjamin Franklin said, "those who are willing to exchange their freedom for security, deserve neither freedom or security!"

So, as I see it, we are starring down the tunnel that leads to the end of history as we know it. We are standing on the edge of eternity about to happen. Yes, Yeshua, Jesus Christ is about to cause the historic events necessary that will culminate in the return of Christ! There is no other way to interpret the meaning of the political, social and economic signs - other than Christ's return is upon us.

It never ceases to amaze me, as we look at the preponderance of evidence, how there are those in this world that will argue the facts, even those who claim to know Christ. It's as though some are just blinded to the bold truth that Christ is coming back and there is nothing that anyone can say or do to change that fact.

What this evidence and the unfolding scene has caused me to do is to ask, "Lord am I ready to meet you face to face?" I would encourage anyone who is reading this report to seriously consider the real possibility that in your lifetime you will more that likely see Christ face to face, eyeball to eyeball. **Are you ready?**

If you're ready to meet Christ, then I say God Bless you! If however, you are not ready to meet Christ go to our web site at <http://www.trends2000.net/endtimes/> and scroll down to **God has a "Pardon" in Heaven with YOUR name on it** and read this section, it will help you find faith in Yeshua, Jesus Christ!

I would like to leave you with this scripture and a few thoughts:

**Malachi 3:16** - Then **those who feared the Lord** spoke to **one another**, And the **Lord listened and heard them**; So a **book of remembrance** was written before Him For **those** who fear the Lord And who meditate on His name. AMEN!

Now is the time to talk about the Lord. Notice in this scripture God creates a book just for us! The book is a kind of gift from Him to us...God loves us so much and loves to hear us talk about Him, that He's created a book with all the times accounted for, and our discussions recorded, as to when we have made mention of Him. This just blows my mind. One day and I think that day is fast approaching, we will be able to review the records of our discussions of God that we have had with one another. It will be awesome. I wonder how the Lord feels when He hears our discussions and the Angeles record them in His presence? Soon we will find out...
