E-Alert Class: Jerusalem to be Divided?

"For Zion's sake I will not be silent and for Jerusalem's sake I will not rest."
- **Isaiah 62.1**

Hi There !

For the past three years we have been reporting that the time is coming that the world will force Israel into dividing Jerusalem with the PA. Well that time is here. Read the source article below. Watch over the coming years for a "political move " to use the establishment of the next Jewish temple as a bargaining chip for Israel to divide its capital. The division of Jerusalem would fit into Bible Prophecy. We must keep in mind that the Lord declared that once the Jews took possession of Israel again (1967) it would never again go back into gentile hands. Hence, half of Jerusalem does not constitute a full surrender of it.

I believe this issue could be the spring board that Satan will use to bring forth his false Messiah, the Antichrist. God's plan for the end of the ages and the beginning of Messiah's reign is moving forward with pin-point accuracy!
