The end of the Oil Era within three years could cause trouble like never before in human history

Tuesday, September 13, 2005

Members of the European Union's parliament heard a report recently that the world will witness the end of the Oil Era in this present generation's lifetime and they should focus research and investment on developing renewable energy over the next 25 years in order to usher in a third industrial revolution after steam and oil power.

Jeremy Rifkin, chief of the Washington based foundation on economic trends, indicated that the world will have used up half of its oil resources possibly by 2010 and should it peak in the next 2 or 3 years, the world will be in trouble like never before human history.

Prophetic Prospective on the News

The end of oil resources in the lifetime of this present generation in reality advances the possibility for Bible prophecy to be fulfilled. With the rise in oil prices in the last several years world leaders have struggled to prepare the world for a time that could well see the price of oil cause an economic disaster.

As Jeremy Rifkin stated, if the oil available today peaks in the next two or three years, this world would be in trouble like never before in human history. The truth is oil runs this world and daily consumption which is expanding daily will only go up, not decrease. Thus, there is a definite problem on the horizon.

With the rise of oil as the power source to drive this world industrially and economically, the nations with the major oil resources became richer and more powerful. It goes without saying that Middle Eastern nations became major players on the world scene as a result of their petroleum dollars or in other words their oil revenues.

This scenario then brought into focus the nations that are mentioned in Bible prophecy such as Saudi Arabia, Iran, Iraq, and Libya that have a role in the End Times drama laid out in Bible prophecy. These nations I just mentioned are found in Ezekiel 38, Jeremiah 50, 51, Psalm 83, Daniel 11, and Revelation 18. The possible soon depletion of oil resources does indeed advance the time frame for Bible prophecy to be played out.

World leaders meet in New York City for the largest global summit in history

Tuesday, September 14, 2005

Monarchs, Presidents, and Prime Ministers gathered in New York City at the United Nations headquarters to attend the largest global summit in history, which also marked the 60 years since the founding of the United Nations.

As the three-day summit got under way, the 191 UN member states adopted a 35-page declaration in which all diplomats agreed to the creation of a peace building commission to help nations emerge from war and an obligation to intervene when civilians face genocide and war crimes. This document also had a section on development of the United Nations millennium development goals, a long-term strategy for the elimination of world poverty.

Prophetic Prospective on the News

As the world gathers to celebrate the U.N.'S 60th anniversary, the agenda focuses on **peace**. Yes, the United Nations is putting together a **peace commission** that will be in charge of eliminating world poverty and making **peace** possible all over the globe!

John the Apostle wrote in Revelation 18 of a one-world, economic, governmental, political operation that will be ruled over by the Antichrist. This Satanic world control center will have a plan to eliminate world poverty, simply take the mark of the Beast. The Antichrist will also be the world peacemaker, a supposed messiah, howbeit a false messiah.

The world is heading into world catastrophe at the speed of light and it doesn't see it coming. One must remember that peace without God at the center of it, is not peace, just man's attempt to do what he can not accomplish. Man throughout the ages has tried to be his own god. Man has tried to be god. This is the ultimate in pride, rebellion and arrogance and it will lead the world into the worst time known to mankind.

Read what the Apostle Paul wrote in 1Thessalonians 5:1-10:

*But concerning the times and the seasons, brethren, you have no need that I should write to you. For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. **For when they say, "Peace and safety!" then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape.** But you, brethren, are not in darkness, so that this Day should overtake you as a thief. You are all sons of light and sons of the day. We are not of the night nor of darkness.*

Therefore let us not sleep, as others do, but let us watch and be sober. For those who sleep, sleep at night, and those who get drunk are drunk at night. But let us who are of the day be sober, putting on the breastplate of faith and love, and as a helmet the hope of salvation. For God did not appoint us to wrath, but to obtain salvation through our Lord Jesus Christ, who died for us, that whether we wake or sleep, we should live together with Him.

When the platform of the day is **peace**, when this platform is being established globally, it is at this time that the Messiah will return. When I look at all that is happening around us, the evidence is overwhelming that points to the soon return of *Yeshua Mashiach* (Jesus Messiah). Now that we have seen the largest gathering in world history of all world leaders at the U.N. and there platform is **global peace**, I hope you are ready to meet your Messiah face to face...
