News Alert Class: Signs of The Times...

In The News...

Today we have some interesting headlines. The headlines cover three areas of interest:

1. [Signs in Space](#)
2. [Countries flexing their "missile" muscle](#)
3. [Israel Back in Gaza](#)

As I have mentioned in the most recent past, God is busy making sure His plan comes together with precise precision. Yeshua did tell us in Matthew 24 that we would see signs in space just before His return. As well, He told us that nations would rise against one another and we certainly see this with the most recent war on terror and with the North Korean "missile" muscle flexing. Now Taiwan is getting into the mix. I'm sure China will not sit on the sidelines and just watch as a spectator.

The Pacific Rim is in a power struggle right now for who will be boss on the street. We all know China will eventually emerge King of the hill because the Bible tells us so. Keep your eye's on developments in this area.

Lastly, just like a women in labor – with labor pains, we have Israel going back into Gaza because the PA can not control the bulley's on their streets and because Israel refuses to run the country God's way. We predicted this last year, no big surprise here. In fact, if you have been subscribed to the **Middle East Peace Update Report** for the last 15 months, this is something you would have expected. Israel should never have left Gaza, they should never have run out their people. The only thing that was keeping Gaza together were the productive Israelis living there. Will Israel re-settle there? I don't think so. Will they have to patrol the area with a military presence and try to maintain peace, yes. Will they succeed no! I'm sure you're asking why and you're probably thinking I'm mighty negative in my view. The truth of the matter is this, Israel will never know a *lasting peace of any real benefit* without surrendering to the Messiah, Yeshua, Jesus Christ. It's that basic and that simple. Politics won't get the job done, war won't get the job done, phony agreements won't get the job done...The only one who can save them and the world at large is Yeshua. It's no more complicated than this.

Therefore, until Israel recognizes their Messiah and I believe He is Jesus Christ, they are doomed for pain, suffering, bad times and their enemies will be used to humble them – just like God used their enemies in the Old Testament times. Just because we change, doesn't mean God changes. In fact, the Bible tells us He is unchanging, He's the same yesterday, today and forever! **These are the signs of the times...**

"Many nations shall come and say, Come, and let us go up to the mountain of the Lord, To the house of the God of Jacob; He will teach us His ways, And we shall walk in His paths." For out of Zion the law shall go forth, And the word of the Lord from Jerusalem. - Mic 4:2

Then those who feared the Lord spoke to one another, And the Lord listened and heard them; So a book of remembrance was written before Him For those who fear the Lord And who meditate on His name. AMEN! Malachi 3:16
