News Alert Class: Now is The Time to Help Israel...

The war in Israel has now been ongoing for 10 days and according to Fox News and other sources a ground offensive is being prepared. It looks like this latest battle could be sustained for the next couple of weeks. Also, Israeli Intelligence is bracing itself for a possible attack, by the opposition on Tel Aviv. Israel's Ambassador to the United Nations has said that this would bring a response from Israel like nothing we have ever seen before. On Fox News he actually used the word *doomsday* and then recanted with a more palatable explanation.

With all of this going on, many in Northern Israel need our assistance. There are many unscrupulous people who are asking that you donate to their web sites in an effort to assist Israel's needy.

There is ONLY one organization that I feel is trustworthy in Israel that will get our resources to all who are in need, **American Friends of Magen David Adom**. This is Israel's Red Cross! If you would like to help financially please visit their web site [here](#)

There is also a lot of talk going on right now about this being World War III and unfortunately some are using this time to sell books and reel in big profits. Many of our subscribers have stayed with **The Middle East Peace Update Report** for many years because of our reputation of **not** sensationalizing Prophetic events in the world today. We do all we can to get to you reports that report the **truth** of what we believe the Lord is doing in our day.

The truth of what we see right now in Israel is this, no one knows with 100% certainty where this will eventually lead us. All we can say for certain is that this war in Israel is part of God's overall plan, that when put together with all other evidences like, volcanoes', tsunamis', weather disturbances and rumors of wars (Matt 24) this is ultimately setting the stage for Mid East unrest that will eventually bring to the forefront the Antichrist who will bring the warring factions together using the "Contract of Death", Peace Agreement - that is spoken about in the book of Daniel. When this will happen, know one knows but God!

The good news is that we are ramping up very quickly to the return of Christ and even though the world will go through much pain and suffering prior to that event, the best thing that could happen right now is for the Prophetic calendar to progress quickly so that, we will see the Believing Church caught up to meet Yeshua in the air, the Ezekiel War, the Israeli-Arab Peace Agreement that will kick off the Tribulation and then finally the return of Messiah.

So, keep looking up, keep praying and watch for His return. Remember, He has a **special reward** for those who eagerly await His return!

2 Tim 4:8: *Finally, there is laid up for me the **crown of righteousness**, which the Lord, the righteous Judge, will give to me on that Day, and not to me only but also to **all** who have loved His appearing.*

"Many nations shall come and say, Come, and let us go up to the mountain of the Lord, To the house of the God of Jacob; He will teach us His ways, And we shall walk in His paths." For out of Zion the law shall go forth, And the word of the Lord from Jerusalem. - Mic 4:2

Then those who feared the Lord spoke to one another, And the Lord listened and heard them; So a book of remembrance was written before Him For those who fear the Lord And who meditate on His name. AMEN! Malachi 3:16
