News Alert Class: Good News – Israel is a Blessing...

Bro Stef's Commentary:

I find it interesting that the main stream media never report on the **good** that Israel contributes to the world. Right now their brilliant minds are working on a way to reverse MS. This disease destroys the protective housing that surrounds the nerve shaft. Where are the U.S. watery eyed, over emotional celebrities now. Why hasn't Michael J. Fox made mention of this? I guess we need to be cautious that we don't shine a positive life changing spotlight on Israel, I mean that wouldn't be good for ratings and it surely won't sell many papers like terrorists blowing up children or Israel constructing a wall to protect itself.

Well, because we are *politically incorrect, biblically and prophetically correct*, just as our byline indicates, we will tell the truth, I don't care about selling ads or papers. All I care about is reporting what the LORD wants us to report! Today we are reporting what you won't hear from traditional media...**The Good News** that Israel is involved in areas of science that effects all of us in a positive way around the world!

I don't know about you, but, I get so tired at times of all the negative points of view and negative reporting that I need to depart from it for awhile and report positive developments that go mostly unnoticed. And yes, I will tie these developments into a Biblical Prophetic light!

Israel is leading the pack in some wonderful developments. Please read the headlines below for all the details!

Prophetic Basis:

Lev 20:24 - But I have said to you, "You shall inherit their land, and I will give it to you to possess, a land flowing with milk and honey." I am the Lord your God, who has separated you from the peoples.

Genesis 12:1-31 - Now the Lord had said to Abram: "Get out of your country, From your family And from your father's house, To a land that I will show you. I will make you a great nation; I will bless you And make our name great; And you shall be a blessing. I will bless those who bless you, And I will curse him who curses you; *And in you all the families of the earth shall be blessed.*"

So we see in the articles below that Israel is living up to its God ordained status of being a **blessing to the entire world** . I wonder what life changing - life enhancing things could be discovered if the world would just get behind Israel in a positive way? What could the Lord reveal to the world through Israel? This is a glimpse.

Then those who feared the Lord spoke to one another, And the Lord listened and heard them; So a book of remembrance was written before Him For those who fear the Lord And who meditate on His name. AMEN! Malachi 3:16
