**Prophetic Analysis
by Bro Stef**

Now with Rita beginning to bare down on the Gulf Coast, it seems that this years hurricane season is in full swing. When one reads the headlines above and then takes into consideration all that has happened this year, one must ask the question...is God removing His hand of protection away from America?

In times past, the types of hurricanes that we have seen in recent months missed our coast. It's as though they just veered off course and didn't come onshore. I find it suspect that in the last few months we have been hit by one of the deadliest hurricane's in history and we are about to be hammered by yet another. If this hurricane takes out our most productive oil wells in the Gulf, that spells out another problem...do I hear \$4 or \$6 dollars a gallon at the pumps on the horizon? Answer probably.

The question on my mind is this. Does the removal of God's hand of protection from the U.S. constitute a judgment from God? I think we would have to answer in the affirmative. If God removes His protection from a person or nation, then at best He is most likely chastening that individual or nation. If we are being chastened by God, then the good news is He loves America. The scriptures are clear that the Lord chastens those He loves - Hebrews 12:6. Lets not forget that whether we are being judged or chastened, if we repent as a nation then God will forgive and heal us!

We have been reporting over the last two years that the U.S. would pay a severe price for assisting in the division of the land of Israel as stated in Joel chapter 3. I hope I am wrong, but it looks as though we may be seeing the beginnings of the protecting hand of God being removed from this country. If we continue to support the dividing of Israel, placating to the PA and the constant removal of God from the fabric of our society, then we will suffer God's judgment. God is not a respecter of persons. He bless those who bless Him, He will curse those that curse Him. This is not rocket science, it so simple to understand, a four old can get it. Our country must repent of it's crimes against God!

Bible prophecy will be fulfilled and it is happening now...
