News Alert Class: The World is Psychotic

Bro Stef's Commentary On The News:

We have been reporting for years now that the dividing up of the land of Israel goes against The God of The Universe, Yeshua HaMashiach (Jesus Christ). We have also been reporting that Russia will lead an invasion of Fundamentalist Arabs like Iran against Israel, this according to Ezekiel 38-39. In the past I have noted in my reporting that one of the reasons Russia will do this is because they have signed covenants with the Arab League that binds them to protecting the Arab Alliance. As you read the account in Ezekiel you will quickly notice that God actually draws, almost against their will, Russia into attacking Israel by putting hooks into her jaw. Russia would prefer to stay out of the battle, but she will have no choice in the matter.

Thus, we are seeing Russia now having to align herself with Hamas, which pits her against Israel and the Western Alliance that will be eventually led by the EU (Revived Roman Empire See The book of Daniel). In an interesting development, God has forced, through the Hamas win, the U.S. into now pressuring Israel into backing off West Bank withdrawals. As our veteran subscribers will recall, we were calling for the President to cease and desist from this action because it would put the U.S. in a no win position with the LORD. Well, it seems God has heard the prayers of His people, because the U.S. is now reversing its position, how be it by political pressure and not willingly.

What does all of this mean in the bigger prophetic scenario? If there were doubts of Russia's alliances, that doubt has been removed by their **psychotic** alliance with Hamas. Putin has no choice but to honor his agreements or suffer shame in the Arab world. Hence, he will try to walk a tight rope between Western politics and his promises made to the Arab Fundamentalists. This will eventually lead to much frustration on his part and he will find that the lesser of two evils is better for his political survival – he will call for the destruction of those that are causing all of the world's woes, that being Israel. From his vantage point it would be easier to calm the Arab street down and guarantee his countries perceived security and protection from the radical's by eliminating the root cause of the entire problem. If there is no Israel then Arabs have nothing to complain about. Problem solved. But, it's not that easy because Putin doesn't believe in God and therefore he will not work God into his equation. God will have Putin right where He wants him, ready and reluctantly willing to help destroy Israel. This will be his undoing and God will humiliate the land that has hated God and His people for thousands of years. The score will be settled with Russia. Once this is done God will refocus His attention on the rest of the world, using the world and the enemies of Him and His people to buffet the Jews so that they will come to the acknowledgement that Yeshua HaMashiach is their long awaited Messiah! It's at this point, towards the end of the Tribulation period described in the book of Revelation, when the Jews can say "**Blessed is He who comes in the name of the Lord,**" **that our GOD and SAVIOR will touch His precious feet on the Mount of Olives and His reign of peace and justice will finally begin (Matthew 23:39) ! And All of God's People say Alleluia!!!**

FM Livni concludes US trip with Bush meeting

Foreign Minister Tzipi Livni will conclude her trip to Washington when she meets with US President George W. Bush. Bush was expected to reiterate what Secretary of State Condoleezza Rice already told Livni, that the US would **not** be in favor of Israel making further withdrawals from the West Bank. In her joint press conference with Rice, Livni warned the international community that Hamas is both a political and a military wing, which would eventually turn into a terrorist entity. Rice's response advocated support for Israel and reiterated demands for Hamas to recognize Israel.
