News Alert Class: URGENT - PRAYER NEEDED NOW

October 9, 2005

The information coming from Israeli intel on the New York terrorists threats is very disturbing. One of the terrorists captured has passed a polygraph test. He states that there are operatives inside the U.S. that do have either, suitcase or brief case type explosives.

Two years ago, we reported that suitcase nucs from Russia had been sold via black market, and most likely, the terrorists are in possession of at least 30. This was further confirmed this year in one of our E-Alerts sent out last month.

Now we have a better understanding as to what is happening in New York. Please read the article below so you will know how to pray!

In other news...

We have reported that the Avian Flu (Bird Flu) had the potential of spreading world wide. It has now broken out of the Asian continent. The Bird Flu has now arrived in western Turkey as well as Danube delta. Birds are being killed to try to attempt to get this disease under control. If this flu grows into a pandemic, we will all feel it's effects!

It's time for all Christian Prayer Warriors to pray!

God Bless and Keep Looking Up...

Yeshua is coming back soon,

Bro Stef
