## News Alert Class: **Intriguing**

**Saturday, September 10, 2005**

All of my life I have been extremely inquisitive. I have always been the one in a group of people to ask the tough questions. It makes me who I am. There's a flip side to this part of my personality however, I'm also the one who has real difficulty trusting people. As in life there is always a positive and negative side to things.

The reason I tell you this - is this very nature God put in me is what makes reporting what God is doing around the world so rewarding for me. By reporting the news in a non-traditional way, it satisfies this extreme drive in me to understand and ask questions.

While I was searching through all of my resources today, I stumbled onto an article that just intrigued the daylights out of me. Talk about tickling my, *"what can this possible mean"* nature...Wow, this is a doozie!

Allow me to introduce you to **James Wolfensohn**? I know, that's what I said too...who's that? You see what I mean? It doesn't take much to ask the question and then we're all hooked...I had to find out who this mysterious, out of nowhere guy came from. What I uncovered is very interesting and thought provoking indeed. Now before I go any further, let me say emphatically, I am **not** saying this is the Antichrist. What I will point out however, is just how easy it is, given the current global conditions and craze towards full globalization (one world government), for a single man to take control of the reigns of power and 99% of the worlds population didn't see it coming!

Who is **James Wolfensohn**? How about the **President of The World Bank**. He now heads up, **as special envoy**, the peace process, or should I say the **false** peace process between Israel and the PA. Article number seven below implicates the U.S. in appointing him to assist in the dismantling of Israel for PA gain.

Now before we go any further, I want you to read these articles in the exact order as I have listed them below. We will start with the first mention of Mr. Wolfensohn in an Israeli newspaper, Haaretz Daily and I'll lead you through the exact path that my investigation took me. I think you will find it very interesting.

By now I'm sure you're beginning to see the big picture. Behind the scenes, our President, along with the Secretary of State Condi Rice, who by the way, are stated Christians by their own admissions, are appointing probably the most popular and powerful "**power broker**" in modern history to bring peace between Israel and the PA. The gloves are off and our President, for reasons I do not understand, feels that his legacy as President must involve the Peace Process in Israel. He is throwing everything he's got at this **false peace** coming to pass. Let's not forget, appeasement does not work. That is however, what the world is doing, they are appeasing the Islamic "crocodile" in hopes that they will not be eaten. We all know what happens when you appease the crocodile, don't we? You just get eaten last...Winston Churchill's quote right before World War II by the way.

### Some interesting facts:

1. Mr. Wolfensohn president of the World Bank. If you weren't aware of this, the World Bank is the single entity in the world that loans money to countries around the world. The World Bank's founders all come from Europe and all have extremely deep pockets that go back centuries. In the financial planning world that I come from, we call this "old" money. The World Bank helps keep the U.S. afloat. Because most countries in the world are in debt up to their eyeballs to the World Bank, guess who calls most of the economic shots and dictates economic policy in those countries? You got it, The World Bank! Allen Greenspan, our Federal Reserve Chairman answers to who? Right again...The World Bank. He who has the gold makes the rules and in this case calls the shots!
2. Mr. Wolfensohn's father is Jewish. What makes this interesting is that the Jews around the world today are still waiting for their Messiah's return. I've always thought the Antichrist will have roots in Judaism. Again let me say, I am **not** saying that Mr. Wolfensohn is the Antichrist. I just find all of this very curious and really intriguing.
3. **Mr. Wolfensohn came on to the scene virtually unnoticed!** Mr. Wolfensohn's appointment as **special envoy to The Road Map Peace Process** was not well known in common circles. Only the big power brokers knew Condi Rice was going to make the announcement ([article #7 above](#)). What this shows is how easy it is for people of power to gain control. The world is looking for a leader to remedy the mess the planet is in. The world is drunk with the idea that someone must have the answers as long as it's not God. The Bible teaches us that the Antichrist will come out of nowhere, unnoticed and arrive on the scene with all the answers, everyone will be attracted to him and love him. He will be hailed the Messiah...The book of Daniel and Revelation are clear on this issue.
4. Mr. Wolfensohn is charismatic and extremely convincing - so the evidence demonstrates. He has already, since June 2005, caused the Israeli's and PA to agree on, *now take special note of this, international* borders. This is unbelievable. Only five years ago, Israel wanted nothing to do with the globalization of there country. Oh what five years of killing, suicide murdering and mayhem will do to cause the human spirit to capitulate and surrender to evil. The terrorists are licking their collective chops with glee, seeing Israel fold like a deck of cards, under **international** pressure led by all people, the U.S. of A. The *world* has begun the process of control of Israel, which will lead to an attempt to control Jerusalem. The Bible tells us in Zechariah 12:1-8, the world will become drunk and intoxicated over controlling Jerusalem. It's my belief, from the evidence, that the demonic intoxication of the world over Jerusalem has already begun.

5. Mr. Wolfensohn has also started the process of getting Israel to agree on **internationalizing** the West Bank borders. This will be the second territory to be carved out of Israel. Keep your eyes on East Jerusalem, it will probably be next after the West Bank. I also believe that this will be the breaking point, Israel will be thrown into chaos and this will help to usher into power the most evil leader the world will ever know, the Antichrist. He will temporarily settle the raging storm and bring the world to it's senses. We all know however, how this eventually turns out, the world is thrown into the final stages of judgment and the worst time of evil and suffering that this planet and humans will ever experience. It's at this point, that the TRUE messiah, Yeshua (Jesus Christ) must return to earth to stop humanity from destroying itself! Matthew 24 and Luke 21 do teach us that the tribulation the earth experiences, if gone unchecked, would destroy all life on planet earth.
6. Note that Mr. Wolfensohn has also demonstrated his ability to garner Congresses help. He has also demonstrated the power to get U.S. tax dollars to help finance the division of Israel. Because the U.S. is a debtor nation to the World Bank, the World Bank can effectively run our country. Proverbs 22:7 tells us *that the borrower is a slave to the lender*. We have sold our birth right as a nation by piling on huge amounts of debt! We have forsaken God's plan for our long term existence. By abandoning God in our country, we will pay a dear price for this betrayal.

All Christian's should be watching the development of this new relationship between Israel, the PA and Mr. Wolfensohn very carefully. Don't let his kindly image in his photo's fool you. This power broker doesn't lose and knows what buttons to push to get people to do exactly what he wants. He is a ruthless mover and shaker! Remember the adage, "he who has the gold, makes the rules." Mr. Wolfensohn certainly controls the gold and it seems as though all people in power are following his rules.

Now would be a good time to read Joel chapters 2 and 3. The world is being led right down the path that Joel points to. The items of interest in Joel are:

1. Imminent Invasion of Judah
2. Conditional Promise of the Salvation of Judah
3. Judgment of the Gentiles

Additional Bible reading would be Isaiah chapters 48-56 . Items of interest are:

1. Declaration of Judah's Chastening
2. The Messiah's Mission
3. The Messiah's Obedience
4. The Messiah's Encouragement to Israel
5. Messiah's Promise to Restore Israel
6. Messiah's Invitation to the World

I hope this article causes you to think and ponder what direction the world is being led. Notice I use the word *led*. It is important that we all pray that God's will be done, especially now. People like Mr. Wolfensohn think they are doing good work in Israel. They may even think they are doing God's work. It is always a dangerous thing when men and women act before praying and knowing what God's will is in a matter. It 's also dangerous when we get outside of the boundaries of scripture. All the power brokers of our day have got this one, how to bring peace to Israel and the Middle East, horribly wrong! They may even think they have the last word, we know however, that it is God that causes the rise and fall of men and nations. These men are allowed to be in power at this critical time in history so that God's long term purposes **will** be fulfilled. They are merely pawns being used for God's greater good. It is our God who is in control, not men and certainly not the power brokers.

***Bible Prophecy will be fulfilled - just as God has outlined in scripture!***
