News Alert Class: Did God Hide His Face From His People?

Bro Stef's Commentary:

Yesterday was a first in Israel. For the first time in Israel's history the people voted to have their land divided for peace. They actually put the Kadima party in power and the Kadima party has been upfront - they will divide Jerusalem to make peace with it's enemies! [Read this...](#)

It should be noted that within the last 24 hours 2 Israeli's have been killed by rockets that have been launched against them. For the first time, Israel dispatched it's [navy to intercept](#) the rocket sites and destroy them. Furthermore, only 63% of Israel voted, this was the lowest voting turnout in Israel's history. ***When good people do nothing evil can prosper...***

If all of this isn't enough, there was a solar eclipse on Wednesday one day after the election results were finalized. It was as though even God waited for the **final** results. [Darkness fell on Israel](#), as though God had hid, as it were, His face from the people. Was God heart broken over the mandate from His people? Did God send the darkness to signal that the time of Israel's suffering is near? Is this just a coincidence or is God trying to get our attention?

The answer to these questions might be found in your specific perspective. I personally do not think that there are coincidences. I believe that things happen for a reason and more so in the life of a person that believes in Yeshua. For me, I believe this is meant to get our attention and cause God fearing people to do what we are doing right now...ask the hard questions. The people of Israel, even if it was only 63%, those who did not vote – voted with their silence, said that they did not want God's prescription for Israel and just like in the days of the judges and kings of Israel, wanted man's solutions. This however will bring catastrophic results to God's people. I believe with all of my heart that the time of Jacob's Trouble is fast approaching. The Prophets Zechariah and Joel provide detailed descriptions of this as does the book of Revelation.

Being Jewish and loving God's land, I experienced a pain in my spirit (heart) this morning as I saw the eclipse in the news. My mind immediately raced to that tragic day when our Lord and Savior was nailed to that tree to take on His shoulders the sins of this world and to become the sacrificial lamb as it were. The Bible tells us that God hid his face and that the earth turned to darkness. I thought in mind, oh Lord, your people have broken your heart once again...

This needs to be said, God loves His people, that's why he will allow them to go their own way and their way will cause them to come face to face with this harsh truth, they have not trusted in their God, they trusted in a god that they have constructed in their own minds, a god that served their own selfish needs and they will

"For Zion's sake I will not be silent and for Jerusalem's sake I will not rest."- Isaiah 62.1 1

one day soon come to see that Yeshua is their blessed Messiah! God's people will be driven to the place where they will say, **"blessed is He who comes in the name of the Lord."**

Mt 23:39 - for I say to you, you shall see Me no more till you say, 'Blessed is He who comes in the name of the Lord!' "

In conclusion, I think God sent us all, the entire world a message using an eclipse, not only is He displeased with His people but, He is displeased with the entire world and what it has come to and how it treats His people and land! **Pray for God's people, the land of Israel and the peace of Jerusalem...**

Then those who feared the Lord spoke to one another, And the Lord listened and heard them; So a book of remembrance was written before Him For those who fear the Lord And who meditate on His name. AMEN! Malachi 3:16
