When They Say Peace and Safety  
Then Comes Sudden Destruction**

So what are we to make of the events over the last couple of days in Israel? What prophetic significance does this have? If we do a study on I Thess 5:3 and Matt 24:10 it becomes clear as to what is happening spiritually and physically. The Apostle Paul tells us in I Thess that one sign that will clearly point to the removal of believers will be the obsession the world will have with peace. That's all we seem to hear about anymore is peace. In fact, people are so drunk with the notion of peace they are willing to do just about anything to get it, except follow Christ and walk with Him. Peace at any cost is a certain recipe for disaster. Don't you find it interesting that with all the talk of peace, such a thing could be happening right now? How is it, that on a platform of peace people are being stripped of all they have? Where's the peace? It's as though the harder the world grasps for it, it can't be found...it's fleeting and unavailable. The reason is really simple. The peace the world wants has no foundation in Christ. It's void of God and therefore they will have no peace! Here's how far off the deep end the world has gone.

Would it have made sense to make peace with Adolph Hitler just so he would not bomb, rape and pillage your community and allow him to conquer the world? Of course not, peace and freedom have a cost. In this case, brave men and women were willing to alter their lives to conquer this mad man and restore peace to the earth, with God's help. God often asks us to take up arms in order to bring about peace. The Old testament is full of stories just like this. And yet, there are those times when a kind word, a loving hug the act of forgiveness will restore peace. The point here, we need God to help us to know what is right for the moment and for the time we live in. ***Only God really knows what is required to ultimately bring about a lasting and real peace!***

To have peace we all must be responsible for our behavior and actions. To have peace we must put God first, not ourselves. Peace that comes without relying on the Lord will ultimately ensnare all of us at some point in time. We see this in the book of Revelation. The Antichrist, Devil incarnate, through his political cunning sets up a peace deal that eventual collapses - primarily due to his zeal for power and ultimate control as well as His hatred for God and man whom He created. Man is incapable of dealing with ultimate power and control. *Let's not forget, power corrupts absolutely...* Only with God as our focus and foundation can we have peace and real security.

What we are seeing in Israel right now is the physical outward evidence of a people that have lost their focus on God and have allowed their dependence to become man focused. Hence, we see the confusion and destruction of part of Israel. We see people setting themselves on fire because of grief. We see people losing

**"For Zion's sake I will not be silent and for Jerusalem's sake I will not rest."- Isaiah 62.1** 1

all that they have toiled many years for – going up in smoke. All of this because the nation has lost its moral compass. Therefore, peace through appeasement, peace through placating to one's enemy will not last. All this will do is empower one's enemy to grab all that they can no matter the cost or destruction.

*Then many will take offense, betray one another and hate one another Mtt 24:10 . The recent events in Israel have caused the country to divide into two polar opposite camps. The one camp says peace at any cost. The other camp says peace that is responsible and makes sense. Our Lord made reference to a kingdom divided in Matt 12:25 by saying, "Knowing their thoughts, He told them: "Every **kingdom divided** against itself is headed for destruction, and no city or house **divided** against itself will stand."*

Here we are now at the preface of history. Israel is a divided Israel, they have lost their focus and trust in God as a nation. They are divided against one another. The enemy sees this weakness and will exploit it to their advantage. They will move to take over more territory within Israel. They will cause Israel to move its country borders back to the 1949 lines, plus they will arrange the take over of East Jerusalem. This will just about be the last straw, God will rise up in His anger and the time of Jacob's Trouble (seven year tribulation) will soon be the next event in human history. Let's not forget Israel is God's land, it belongs to Him. No one has the right to bargain with what is His. His land is not open for debate – it's not for sale. The events that are unfolding will lead the world into what the Prophet Joel says is the **imminent invasion of Judah Joel chapter 2 and judgment on the gentiles Joel chapter 3.**

You may be asking, so Stef, where's the **good news?** It's found in the last part of Joel chapter 3. Once Israel has paid for their rebellion and the gentiles have done likewise, God will restore His people and the land. In fact, just when it looks like the Jews are finished and the world is ready to go up in a nuclear big bang, out from heaven will come a bolt of lightning as never before seen, **For as the lightning comes from the east and flashes to the west, so also will the coming of the Son of Man (Matt 24:27).** Yeshua will descend, we will be with Him and His angels, He will put a final end to the carnage and set everything right once again. When the Jews can say **'Blessed is He who comes in the name of the Lord!'** " the job will be finished. When the Jews finally understand who Yeshua is, their King, it will be finished!

**Matt 23: 37-3;** *"O Jerusalem, Jerusalem, the one who kills the prophets and stones those who are sent to her! How often I wanted to gather your children together, as a hen gathers her chicks under her wings, but you were not willing! See! Your house is left to you desolate; for I say to you, you shall see Me no more till you say, 'Blessed is He who comes in the name of the Lord!'* "

And then my friends, the world will finally know **perfect and complete peace.** The thing everyone was drunk and intoxicated by will be here. The **KING OF KINGS AND LORD OF LORDS** will bring what none other could bring **PERFECT PEACE!**

**Amen and come Lord Jesus soon!**

***If you are reading this and you have not accepted Yeshua (Jesus Christ) as your Messiah, personal Savior-Redeemer, then please ask Him to forgive you of your sin and wrong doing , acknowledge and believe that He took your sins upon Himself- for you (in your place)died on the cross and rose from the dead to give you eternal life with Him. Tell Him you put your faith and trust in Him, set your mind and heart to do whatever he requires of you. He will save you from the penalty of your sin which is separation from God forever! Please do this NOW... A door to accept Christ is open right now, that door will eventually close and that time is drawing closer with each passing day!***

**Romans 10:8-11 :** "The word is near you, in your mouth and in your heart" (that is, the word of faith which we preach): 9 that if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. 10 For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation. 11 For the Scripture says, "Whoever believes on Him will not be put to shame."

**John 3:16 :** For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.

**Romans 13:11** And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed.
