News Alert Class: The Tale of Parallel Stories...

Bro Stef's Commentary:

We have two parallel stories today that have surfaced and carry a lot of prophetic weight to them.

The **first** is a story about a former senior leader of the Waqf, the **Islamic custodians of the Temple Mount**, who says, "Prophet Solomon built his famous Temple at the same place that later the Al Aqsa Mosque was built. It cannot be a coincidence that these different holy sites were built at the same place. The Jewish Temple Mount existed."

So, here we have an Arab leader actually admitting that the Jewish temple did exist and for political expediency this truth has been denied and a lie has been created to protect the Arab position. By the way, if the name of this person got out he would be killed immediately! So much for a confident - truthful Arab position on this matter. I don't know how, I don't know when, but I do know God is going to make a way for the Jewish temple to be rebuilt. This we can all count on!

Second, we have a story about the French President, **Jacques Chirac** says, "It is time to **impose peace in the region, based on two states living side by side with each other in peace.**" Well, leave it to the French to insert their own foot into their mouths and in this case, swallow their foot whole...

The word **impose** means to *force or enforce*. This demonstrates the European mindset of forcing a peace on Israel. This is **exactly** what the Bible tells us about how the Antichrist will **impose** a false peace in Israel. Eventually this **false peace** will become the undoing of all the politicians and the Antichrist himself and Christ will intervene saving the world from going up in a nuclear mushroom cloud!

Therefore, today the news we see two dynamics at work, the resurfacing of the temple mount issue that will eventually lead to the rebuilding of the final temple in Israel and the issue over a forced peace. Both of these issues are key elements to the final wrap-up of the **last days scenario**. Both issues must happen prior to the return of Yeshua HaMashiach, Jesus Christ.

What these two stories tell me is that God is on the move and He is extremely busy putting the final touches on what He intends to do. What He has promised in scripture He will bring to pass!

This I know, God never sleeps and His plans for all of us will come to pass exactly as He determines!

"Many nations shall come and say, Come, and let us go up to the mountain of the Lord, To the house of the God of Jacob; He will teach us His ways, And we shall walk in His paths." For out of Zion the law shall go forth, And the word of the Lord from Jerusalem. - Mic 4:2

Then those who feared the Lord spoke to one another, And the Lord listened and heard them; So a book of remembrance was written before Him For those who fear the Lord And who meditate on His name. AMEN! Malachi 3:16
