## Bro Stef's Commentary:

### Bro Stef's Notes:

I found the article below on the Israel Today web site, and it has extremely powerful implications. The reason I say this is that the U.N. (United Nations) is seeking to bring Israel into the fold and have her feel that the E.U. (European Union i.e. . . . Revived Roman Empire), and the U.N. are her new best friends. The E.U. and the U.N. have time after time sided against Israel and have supported causes that hurt Israel and her future. The E.U. and the U.N. are not Israel's friend no matter what type of mask or window dressing they use to convince the world that they care. The Bible is clear that the Antichrist will come out of the E.U., and this only sets the stage for Bible prophecy to be fulfilled.

Just in . . . Israel has just caved into the U.S. demands that she internationalize her borders and give up control of security to the P.A. and the E.U. In any other nation this would be absurd, but, in Israel, it's business as usual. The world, including the U.S., continues chopping at Israel and pushing her towards her ultimate rendezvous with destiny. Read the headline [here](#)

## UN decides on annual Holocaust commemoration...

The 191-member UN General Assembly has adopted a resolution establishing an annual day to commemorate the Holocaust. The Holocaust claimed 6 million Jews at the hands of the Nazis during World War II. This day will be observed January 27, the day that the Auschwitz death camp was liberated by Russian forces. Israel welcomed the decision, describing it as "historic." Israel has often been the target of UN resolutions, but times have changed. "The United Nations has moved toward Israel to a more balanced and fairer approach to the Middle East," said Israeli government spokesman Mark Regev. UN Secretary-General Kofi called the Holocaust "a unique evil, which cannot simply be consigned to the past or forgotten."

## Bro Stef's Look at Psalm 2

### Scriptural Foundation:

"Why do the nations rage, And the people plot a vain thing? The kings of the earth set themselves, And the rulers take counsel together, Against the Lord and against His Anointed, saying, 'Let us break Their bonds in pieces And cast away Their cords from us.' He who sits in the heavens shall laugh; The Lord shall hold them in derision. Then He shall speak to them in His wrath, And distress them in His deep displeasure: 'Yet I have set My King On My holy hill of Zion.'

"I will declare the decree: The Lord has said to Me, 'You are My Son, Today I have begotten You. Ask of Me, and I will give You The nations for Your inheritance, And the ends of the earth for Your possession. You shall break them with a rod of iron; You shall dash them to pieces like a potter's vessel.'"

"Now therefore, be wise, O kings; Be instructed, you judges of the earth. Serve the Lord with fear, And rejoice with trembling. Kiss the Son, lest He be angry, And you perish in the way, When His wrath is kindled but a little. Blessed are all those who put their trust in Him."

**Observations:** Why do the nations rage? Why do the nations set themselves against God? What has God done to deserve the rage, hate and displeasure from His creation? The simple answer is obvious – sin and rebellion. Even though I know this to be true, I still find my mind searching for a better, more sensible reason for the rage against a Holy God that has done nothing but try on every level to help us.

Let's look at the some of the ways God has helped us and please keep in mind that this is not an exhaustive list by any means:

1. We owe our very existence to Him. [Ephesians 1:3-14]
2. God gave us the stories and history of the Old Testament, true life examples from which to learn. [Exodus 2]
3. God gave us the ten commandments so we would know right from wrong and we would know that we serve a God that is perfect. [Deuteronomy 4:1-40]
4. God made provision for the remission of sin in the Old Testament for His creation. [Exodus 12:21-28]
5. God gave us the Prophets and they helped us to have a better understanding of God and His ways. [Matthew 22:34-40]
6. God gave us stories that helped us to have hope and faith through the Old Testament. [1 Samuel 17: 1 – 58]
7. God gave us His own son that would take away our sins. [Luke 1; 2: 1 – 52]
8. God gave us the New Testament that would show us Himself in human form through His Messiah. [Luke 2:25-35]
9. Christ gave us hope and showed us how we could personally know the Father. [John 14:4-11]

10. Christ demonstrated the Father's love towards us. [Hebrews 5:1-10]
11. Christ taught us how to have peace in our lives. [John 14:27]
12. Christ taught us how to love one another. [John 13:34-35]
13. Christ taught us how to forgive. [Matthew 18:21-35]
14. Christ gave us the Holy Spirit to teach, guide and lead us in His ways. [Acts 1:8]
15. Christ gave us the twelve disciples who would become human examples of how we can all walk with Him and allow Him to transform our lives. [Matthew 16:13-20]
16. Christ removed forever the wages of sin and death from all of us who believe in Him. [Romans 6:1-23]
17. Christ went to heaven to be with the Father, so we, too, will go to Heaven and be with them. [Romans 6:4]
18. Christ healed the sick, showing us all that He is the Great Physician. [Matthew 9:1-8]
19. Christ raised Lazarus from the dead, thereby making it clear that He had power over life and death. [John 11:1-45]
20. Our Lord took the sins of the world upon Himself so all could be saved. [John 3:16-21]

After seeing the evidence of some of what God has done for us, it just doesn't make sense to me why anyone would fight a God that is this loving and kind. No matter what the answer is, it doesn't compute to me. How can any of us not love and appreciate a God with a heart this big?

Why does the human race want so desperately to separate itself from a loving God?

In my mind I know the answer is sin, but in my heart I just don't get it. One day, and that day is fast approaching, the world will collectively try to conquer God and remove Him from the earth and from the consciousness of all mankind. Society will strive to make man his own god. Society will in effect say no to God and yes to Satan (self). This attitude of pride, hate and the lust for power and self-rule will bring about the worst period known to mankind. Our Lord painted the grizzly image of a world gone mad and completely out of control in Matthew 24 and Luke 21.

*Why do the nations rage, And the people plot a vain thing? The kings of the earth set themselves, And the rulers take counsel together, Against the Lord and against His Anointed, saying, "Let us break Their bonds in pieces And cast away Their cords from us."*

The nations will rage and fight against God because they will have said yes to Satan and self-rule and no to God. The amazing thing is that self-rule is not possible. We all will serve someone. We will serve God or the Devil. Self-rule is a lie and doesn't exist. By the time man figures out that he has made a colossal mistake, it will be too late! The only remedy for man's self delusion is to ask Christ into his heart today. By doing this God will heal that part of our heart and will that is hell bent on the illusive lie of self-rule and self determination without God!

The question then really is...Who are you serving today - God or Self?

Keep looking up and Lord willing see you next time...
